SHPE First Year Rep → Treasury Committee

Theta Tau PD Committee → PD Committee Chair → Corresponding Secretary

I love to CAD, finding new food places, and playing incremental games

SHPE Introduction

Empowering the Hispanic community to achieve their full potential in science, technology, engineering, and mathematics (STEM) fields, striving for a future where Hispanics are prominent leaders and innovators.

Fostering an environment on campus where anyone can have a community along with Professional Development.

“Not hispanic don’t panic”

“Not an engineer don’t fear”

First Year Experience

- Learned about SHPE's goals
- Professional Development Events
- GBM's & other events
